

GITEX Technology Week 2016 Opening Ceremony

Digital Communication LLC (DigiComm) provides GITEX 2016 Technology Week Opening Ceremony a great technological support.

GITEX Technology Week is a world-class exhibition that welcomes participants from every corner of the globe. Located at the Dubai World Trade Centre, it is strategically aligned with Dubai's vision of supporting, nurturing and encouraging entrepreneurship, business innovation and research & development for the benefit of future of generations and to encourage creative thinking that can break boundaries.
