InfoComm Middle East & Africa 2016 Opening Ceremony

Digital Communication LLC (DigiComm) provides digital screens for the InfoComm Middle East & Africa (InfoComm MEA) 2016 opening ceremony at Dubai World Trade Centre (DWTC) in November 2016.

InfoComm MEA is the region's foremost professional audiovisual and information communications technology show. It is where industry players and experts showcase, share, and incubate ideas. It is also where influencers and decision-makers seek and find solutions to propel their businesses.
